5. Owners' Consent

All owner(s) of the land to be developed must sign the application

If the owner is a company or superannuation fund, Council will require an additional fee for a search of ASIC's *Organisations and Business Names Register*.

Being the owner of the land to which this declaration relates, it is necessary to verify that you are aware of the applicant's intention to lodge an application for a Subdivision Certificate.

Owners' names must match those included in Council's rates system. If the owner is a company or corporation, then a director, secretary or authorised delegate must sign. If the land is Crown land, an authorised officer of the relevant Crown authority must sign the application. For Strata schemes, the consent of the Owners Corporation is needed.

Strata Owners'
Corporation
Common Seal

Owner(s) Declaration

As the owner(s) of the above property, I/we consent to the making of this application and authorise and consent to entry of the property site by Council officers for the purpose of processing this application and inspecting the site during development/building works.

I/we consent to entry of the property by Council officers for the purpose of processing this application.

If signing on behalf of a company, include signatory's capacity to sign.

7. Privacy Policy

The information you provide in this application will enable your application to be assessed by Council and any relevant state agency. If the information is not provided, your application may be delayed. The application will be kept in a register by Council that can be viewed by the public at any time. Please contact us if the information in your application is incorrect or changes.

8. Lodgement requirements for all proposals

For use by the applicant

Office use only

A completed **application form**, authorised by :

- The owner of the land to which the application relates, or
- Any other person, with the Consent in writing of the owner of the land.

Where the owner is a company, Council will require an additional fee for a search of ASIC's *Organisations and Business Names Register*.

1 copy of:

- the **completed and signed Plan of Subdivision**, prepared by a registered surveyor and including the information shown in **Appendix A**. If the plan is to be lodged as a paper copy with the NSW Land Registry Service, it **must** be to scale and on the paper size shown in the top left corner of the plan.
- when proposed, the **completed and signed Legal Instrument**, prepared by a registered surveyor and including the information shown in **Appendix B**
- when proposed, the **Community Management Plan**, in the case of a Community Title Scheme under the Community Land Development Act 1989

For termination of strata subdivision, supporting evidence of all information required for lodgement with NSW Land Registry Services

A copy of the relevant **Development Consent** or **Complying Development Certificate**.

A copy of any relevant **Construction Certificate**

A copy of the **Detailed Engineering Works as Executed Drawings**, annotated in colour, clearly legible and appropriately certified by a Registered Surveyor and suitably qualified Engineer. For stratum subdivision, the Works as Executed drawings must be of the built form demonstrating that the stratum boundaries are correct. Alternatively, certification must be provided from the Registered Surveyor that the stratum boundaries are consistent with the built form.

If a Deferred Commencement Consent has been issued in relation to this matter, evidence verifying that the applicant has satisfied Council on all matters that must be satisfied before the consent can operate.

Evidence verifying that the applicant has complied with all conditions of Consent that it is required to comply with before a Subdivision Certificate can be issued. Usually this will be a copy of the **Final Occupation Certificate**.

Where subdivision is proposed, **evidence** (eg. photographs) that **numbering on letterboxes** is consistent with the requirements of any relevant development consent or Council's street numbering system.

The **original paper Section 73 Certificate** of Compliance from Sydney Water where required. Where the proposal includes separate development consents for the construction and subdivision all Section 73 certificates must be provided.

For further information please refer to the Sydney Water Publication – "Types of development that need a Section 73 Certificate" at: http://www.sydneywater.com.au/web/groups/publicwebcontent/documents/document/zgrf/mdq1/~edisp/dd_045401.pdf

If a subdivision is the subject of an order of the Land and Environment Court under section 40 of the *Land and Environment Court Act 1979*, evidence that required drainage easements have been acquired by Council.

9. Release of Endorsed Linen Plan of Subdivision

I declare that I am the applicant / agent authorised by the applicant on this application form to collect the Endorsed Linen Plan of Subdivision and that this Plan of Subdivision has been released into my custody.
