Sale of Dogs and Cats

Dogs and cats sold from the animal shelter must be micro-chipped and registered. Total sale price will be the sum of the registration fee, microchipping fee, and the price of the dog or cat. Where desexing is required, all associated veterinary costs are to be fully recovered from the buyer.

In accordance with Mayoral Minute 11/2001-02, and in the best interest of companion animal rehoming and reducing euthanasia rates, management may negotiate reduced sale rates during peak breeding periods.
