

Project update — September 2024

Cronulla Plaza Upgrade

Work on the Cronulla Plaza upgrade is now complete. We are excited this new space is open for all to enjoy.

The upgraded Plaza includes new paving, seating options, improved lighting, two new destination playgrounds and a variety of new tree species.

There are still some minor tweaks being made as we finalise the work. This includes shade structures around the two new playgrounds which will be installed in the coming months. In the meantime temporary shade sails are in place at the 'whale head' playground at the southern end of the Plaza.

Timing: Major upgrade work is now complete.

Minor work will continue over the next few months as upgrade

We will keep the community updated of progress and thank you for your patience during this important work to refresh Cronulla Plaza.

Keep an eye out on the exciting changes coming to Cronulla Town Centre!
